## BUILD IDEAS WITH RELIABLE SUPPORT

# A VIRTUAL WORKSPACE FOR YOUR CREATIVITY

Powered by the 8th generation Intel processor, the compact SU03 laptop possesses the strength of a desktop computer, which also brings about a smooth and stable computing experience that offers effortless multi-tasking. The huge storage capacity ensures you get the best of what you aspire to achieve!

## ENORMOUS STORAGE CAPACITY WITH INSTANT BOOT-UP

With its thin and light chassis and a dual-storage design, Nexstgo's Desktop Replacement 14-inch SU03 notebook computer is made for portability and practicality. The new model provides a flexible storage combination of a solid-state disk (SSD) and a traditional hard disk drive (HDD) for maximum productivity. Instant boot-up and data access are made possible with the ultrafast SSD, while the HDD provides huge storage capacity to keep all the files and videos you need. The high-performance SU03 offers a perfect business solution that lets you get the most of your effort.

## MINIMALIST DESIGN CATERING TO ALL YOUR NEEDS

SU03's minimalist and elegant design houses unrivaled performance, making the notebook computer an essential for every professional. With Windows 10 Pro pre-installed and its applications, the versatile and business-ready notebook computer takes care of every aspect of your needs. The Full HD display brings you crisp and vivid images, and is best used for document editing and giving presentations.

## DURABILITY AND SECURITY YOU CAN TRUST

SU03 is designed to withstand some of the toughest environments as every notebook computer at Nexstgo have passed the stringent reliability and durability tests and standards. Each SU03 comes with a three-year on-site warranty that ensures speedy and hassle-free repair services. Besides effectively protecting the device from malware, the built-in Trusted Platform Module (TPM) chip can work with data-encryption software to secure important authentication as well as data for enhanced security.

## MAKE PROJECTS AND RESEARCH WORK A BREEZE

Nexstgo notebook computers are proud winners of awards like the PC3 Platinum Commercial Laptop. Nexstgo has become a favourite brand for schools, thanks to its superb cost-performance and unparalleled reliability. Each Nexstgo model is precisely manufactured for the perfect balance between screen sizes and weight, so that it is easy to carry between classrooms, labs and home.
